This beautiful single story home is conveniently located within walking distance of an elementary school and nearby shopping and services. The thoughtful floorplan is light and bright, featuring a large living room with adjoining dining area, a spacious kitchen with center-island breakfast bar, and a comfortable family room with a fireplace and media niche. There are also three generous bedrooms, including one that converts easily to den/office use, and indoor laundry. This home has attractive tile floors in key locations, and has just been refreshed with new interior paint, new stainless steel appliances and a number of other great improvements. Move-in ready, and complete with great curb appeal and a nice back yard with covered patio. See it today!!
